

HYUNDAI's Solution for EN81-70:2018

Hyundai's elevators comply with the EN81-70:2018 for persons with disability, thereby ensuring that its elevators are safe, comfortable, and accessible to everyone.

EN81-70:2018 supersedes EN81-70:2003. This document introduces the fundamental requirements of EN81-70:2018 and proposes Hyundai's elevators solutions accordingly. For more detailed information, please contact your local Hyundai sales representatives.
